

BIOGRAPHY

UNITED STATES TRANSPORTATION COMMAND
Office of Public Affairs, Scott Air Force Base, Ill. 62225-5357

PATRICIA M. YOUNG

Patricia M. Young, a member of the Senior Executive Service, is Deputy Director for Strategies and Policy, Strategies, Plans, and Policies Directorate, United States Transportation Command, Scott Air Force Base, Ill. She is responsible for the formulation of policy, doctrine, legislative affairs, logistics concepts and programs, and integrated business analysis and initiatives for the Defense Transportation System. She oversees the development of transportation-related programs and policies to ensure coordinated logistical operations among the command, its component commands, and other agencies in peace and war.

Ms. Young entered federal service in 1985 through the Palace Acquire Career Program with the Air Force Materiel Command, Wright-Patterson Air Force Base, Ohio. At AFMC she was assigned to the Logistics Directorate and was a key member of the command's battle staff during Operations Desert Shield and Desert Storm, and was the command representative to the DOD Transportation Policy Committee. In 1993, Young came to USTRANSCOM Operations and Logistics Directorate serving in various assignments to include Deputy Chief, Mobility Systems Division, command expert on all aspects of in-transit visibility and its relationship to the DOD program of total asset visibility and Joint Vision 2020. She entered Senior Executive Service in 2002 as the Deputy Director Logistics and Business Operations, Operations and Logistics.
